Procurement Notice No. 3/2008

Support in Bulgaria to CEE Bankwatch Network (BWN) in its campaign against the Belene nuclear power plant project, for a maximum amount of EUR 9,500

CEE Bankwatch Network is planning to continue its activities related to the planned Belene nuclear power plant. This notice refers to **goods, works and services** to be procured from non-governmental and non-profit organisations (NGOs). Specifically, the NGO selected and engaged will be responsible, in whole or in part, for the project that will include the following activities:

- the elaboration of background materials;
- communication with financiers interested in the Belene project;
- media work;
- participation in the environmental impact assessment process;
- cooperation with the Bulgarian NGO coalition and NGOs in neighbouring countries to ensure effective public participation in the environmental impact assessment process;
- cooperation with the local administration.

Other activities of a similar nature may be requested and agreed during the contract period.

The organisation representative will report to Bankwatch's Campaigns' Coordinator

Organisation profile: An NGO, registered in one of the EU countries, with the following attributes:

- The project leader has relevant experience working on issues related to nuclear energy
- The project leader has the ability to prepare documents in English and Bulgarian to the highest standard.
- The organisation can prove that it has the capacity to manage a project of a similar scope, including the financial reporting.

Submission Requirements: Responses to the notification (not exceeding 3 pages, excluding the CV of the project leader) are to be submitted in English by email to [main\(at\)bankwatch.org](mailto:main(at)bankwatch.org), no later than the closing date.

Submission of a tender implies acceptance of the terms and conditions set out in the draft contract. The contract is made for the period February – December 2008. The contract can be extended, provided that the results of the work and services are satisfactory.

The **closing date** for submission of tenders is **January 31st 2008**, end of business day, Central and Eastern European time.
