Mr Jose Antonio Gomez Gomez
The Delegation of the European Union to the Republic of Serbia
Avenija 19a, Vladimira Popovića 40/V,
11070 Novi Beograd

Dear Mr. Gomez Gomez,

Thank you for your kind letter from August.

Unfortunately, the latest attempt to start expropriation of people living in dangerous proximity of the mine pit (some 200 meters away) in the example of Vitomir Simic proved to be once again unsuccessful.

This problem is a burning issue in a few villages (Radljevo, Barošavac, Junkovac, Vreoci). In this regard, let me forward you the letter written to European Bank for Reconstruction and Development.

We would be very happy if the Delegation of the European Union to the Republic of Serbia could help in the process of addressing these problems.

Best regards,

Nikola Perušić
project manager
