

Backing just transition in the Western Balkans

EU Commission

Secretariat

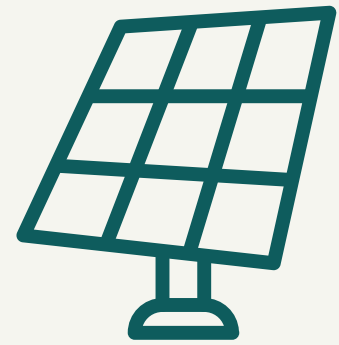

of a new initiative to help coal regions in the Western Balkans and Ukraine transition away from coal

Energy Community Secretariat

Supports the Contracting Parties towards integration in the pan-European energy market by monitoring the implementation of existing legislation and by providing assistance for related policy issues and drafting new legislation.

collaborative tools

Collective efforts

by the European Commission, Energy Community Secretariat, the World Bank Group, the EBRD, the College of Europe and the Government of Poland.

collaborative tools

Platform Initiative in Support of the Coal Regions in Transition in Western Balkans and Ukraine

The Western Balkan Contracting Parties

Albania, Bosnia and Herzegovina, Kosovo, North Macedonia, Georgia, Moldova, Montenegro, Serbia and Ukraine

2020

Sofia Declaration on the green Agenda (adopted Green Deal) for the Western Balkans

Just Transition

2019

EU Green Deal
The European Commission made a promise to make Europe the first climate-neutral continent in the world by 2050.

2015

The Paris Agreement acknowledges “the imperatives of a just transition of the workforce and the creation of decent work and quality jobs in accordance with nationally defined development priorities” and highlights the importance of workers in responding to climate change.
